Name:	<input type="text"/>	Dept:	<input type="text"/>	Email:	<input type="text"/>	Phone:	<input type="text"/>

I have read and understand Texas Woman's University Affinity Group policy. I also understand that in order to be approved, the adoption of bylaws and the selection of officers must be documented and submitted to the University's Affinity Group Liaison. Affinity Group bylaws must contain specific comprehensible language that states the group does not represent the university. I understand that upon approval, one university wide email may be distributed by the lead or contact person to announce the formation of the Affinity Group.
